Dedication of the newly constructed 230/110 KV Auto SS at
Pillaithruvasal, Karaikal – Regarding.

-sSs-

It is of immense pleasure to inform that the newly established 230 KV Auto Sub-Station at Pillaithruvasal, Karaikal has been successfully test commissioned with one no. of 100MVA Power Transformer on 21/12/2018 and another one no. of 100MVA Power Transformer on 12/01/2019 and put on trial operation.

As you are all aware, our department along its journey of serving the people has always excelled in meeting the ever-growing power demand of Karaikal region, thus making the people's life more comfortable with minimum power interruption, quality supply and adequate power to the needy consumers. The energisation of the above Sub-station will be one more important milestone in the history of our Department.

It is needless to say that this latest state of Art Substation with Remote Operation facility and HMI system will surely help the Karaikal region in all around developments.

I invite all the Engineers to make it a point to participate in the occasion of Dedicating the Pillaithruvasal 230KV Auto Substation to the nation by our Hon'ble Chief Minister along with Hon'ble Electricity Minister on 26-02-2019 at 12.00 Noon at Pillaithruvasal Sub-station campus, Karaikal.

“Have pride in working in this Department, Serve Consumers with Devotion”
